WEB DESIGNER & FRONT-END DEVELOPER

I am a freelance front-end designer and web developer who specializes in creating visually appealing and functional websites and web pages. I design and code user interfaces that integrate text, images, videos, and interactive features to deliver an engaging and seamless user experience.

EXPERIENCE

- WEB DESIGNER & FRONT-END DEVELOPER AT (TAFRAA) 6 MONTH
- WEB DESIGNER & FRONT-END DEVELOPER AT (NADEIN AGENCY) 5MONTH
